## ACCESS SERVICES

MTC offers a range of services and facilities to make our shows accessible to everyone. These services include captioning, audio description, tactile tours and disability access, which are each outlined below. For full details of our 2012 Access Program, see the reverse of this flyer.

### CAPTIONING

Nine performances will be captioned throughout 2012. Please see the reverse of this flyer for dates.

**OC** During **live captioned performances**, text is displayed on a screen to the side of the stage relaying actors' dialogue, nuances, music and sound effects. Where possible, seats near the screen are held for those who require them. Please inform staff of your wish to view the captions at the time of booking to ensure relevant seating is made available.

### HEARING ASSISTANCE

**Hearing assistance** can be provided in the form of an **FM Hearing Loop** at the MTC Theatre and Arts Centre Melbourne. Alternately a closed system **Listen Pack** can be provided at the MTC Theatre. Please ask theatre staff for assistance.

### AUDIO DESCRIPTION & TACTILE TOURS

Vision Australia provides audio description and tactile tours for select shows at all mainstage productions within the 2012 season. See the reverse of this flyer for more information. Bookings are essential for these services and can be made by calling 03 9864 9384.

**AD** **Audio described performances** are narrated by Vision Australia staff who describe actions, expressions and gestures during gaps between dialogue throughout the performance. A small receiver is available from Vision Australia staff upon arrival.

**Tactile tours** commence one hour before the designated performance. Guests are given a tour of the stage and invited to touch the sets, costumes and props whilst the Stage Manager, and often cast members, describe them.

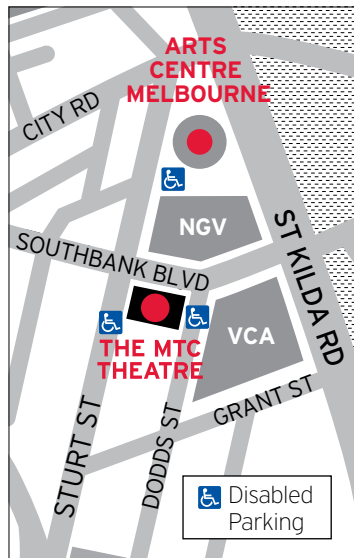

**Assistance animals** are welcome at all venues and water bowls can be provided upon request.

## WHEELCHAIR & MOBILITY AID ACCESS

MTC productions are staged at the MTC Theatre and Arts Centre Melbourne. Facilities for wheelchair access and seating that allows more room for the use of mobility aids are available in all theatres, for all performances (subject to availability).

At the MTC Theatre disabled access is via the front entrance on Southbank Boulevard, and at Arts Centre Melbourne via the front entrance on St Kilda Road or via the carpark. Both venues have lifts to all levels.

Taxis can easily be flagged outside the venues or can be booked through theatre staff upon request.

The foyers within the MTC Theatre and Art Centre Melbourne offer tables and chairs at wheelchair height and the MTC Theatre also has a low bar service area.
